VILLAGE OF
MONTEBELLO

**Village of Montebello Parks Commission
Meeting Minutes of June 7, 2012**

Meeting called to order at 7:40

Attendees: Tony Piazza, Howard Hockberg (alt), Marlene Portnoy, Bob Israel, Bob Congionti and Amy Rapoport.

Absent: Nick Altebrando, Warren Berbit, Esq.?

Minutes of April and May were approved

Guests: Eagle Scout Michael Sadowski, Scout Master of Troop 21's Mark Olsen presented a 5 page plan to build the upper trail in the KGP.

Discussion of the black top that currently exists and how much it would cost to grind it up, Mr. Olsen stated it would be too expensive to do because of the equipment that would be need for the 600 ft to be removed.

Phase I area from the parking lot to the black top area is 580' long it will be a wood chip path.

Phase II exists and is 680' of black top. This will only be cleaned off.

Phase I will meet Phase II with an open area between them.

A sign at the end of the finished path will state, " The next 600 ft are unfinished."

Michael will flag the trail for the commissioners to see the route and will notify us when it is done.

It was suggested that a brass plaque be placed on a rock to indicate that Michael Sadowski, Troop 21, created this path.

Nick submitted notes to Tony the he read to The Commission. These notes were generated after a meeting with Jeanine fro AKRF.

The algae can only be mitigated if the ponds are 5' or deeper.

Tony has concerns about spending \$350,000 for the sleuth gates being raised.

Discussion of aerators and bubblers to help the algae growth Lake Fountains Aeration Colgan Perry proposal info.

Benches: green metal, brown wood- backless and with backs both 5' long.

Trees and Vines: got 3 estimates
