VILLAGE OF
MONTEBELLO

Minutes of 2/213 were not approved- no quorum

Parks: Tony reported that the VB approved Scenario 2, chemical (non hazardous) treatment for algae would be done, dredging of pond 1 and 3 and a wetland bench would be constructed in pond _____. AKRF will be working with Martin Spence Village Engineer on this project. Soil testing in these ponds will be done before dredging begins. Dredge material to stay on site. DEC permits will be gotten for this project. Chemical treatments must be done first, this springtime it will be done, time to be determined.

Bid Specs to go out for Scenario 2

Scout projects: Kevin Olson is doing botanical and wildlife markers; it is being worked on now.

Dan Piccininni bench project- unknown- Amy Rapoport will follow up with Dan.

Benches: Amy will contact Belleville Landscaping and arrange a time for installation.

Mark Olson, will do the trail black top removal and remediation.

Tony did an update article for the Village Newsletter.

Clean up day notification will be newsletter and electronic.

Clean Up Day- Bob reported that last years sign was missing, he will check with the building inspector as to its location. If it cannot be located a new one will be purchased. It must be ordered and done before Passover.

March 7, 2013 cont.

A smaller dumpster will be gotten, Bob will contact Home Depot about getting children size gloves. People will sign up on line; the village staff will contact businesses.

Bob suggested that we survey the village borders to determine the places that need the most clean up.

Concert: Howard will contact the band "Dead on the Tracts" and handle the event on July 11 from 7-9 pm

New Business: Discussion on how effective FACEBOOK can be in emergencies, not everyone is on FB may not be effective for emergencies. A ROBO call system was suggested to set up for emergencies and events as an option.

Meeting adjourned at 8:30
